Yesterday the BBC launched it's 500 words competition. We would love for some of our children to enter this from Burley & Sopley Primary Schools. We even had a ex- pupil from Burley reach the semi-finals one year!
Details of how to enter this are online at this address.

It would be wonderful for you to share your 500 word stories at school, don't forget to save a copy before you submit so we can enjoy them together. Perhaps you could publish your 500 word story once you have written it?

Happy Writing!

BOOK SYNOPSIS

THE FEDERATION OF BURLEY AND SOPLEY PRIMARY SCHOOLS

U

Fablehouse is a children's home like no other. It's a safe haven for Heather and her friends, sheltering them from a society that won't accept the colour of their skin. But soon that is not the only danger that threatens them.

When mysterious spirits infiltrate the house, stealing away some of the children, the friends must follow them to the heart of the underworld. There they find a magical court from Arthurian legend, where bewitched creatures are hatching a plan to take over the human world. With Pal, the gallant Black Knight, by their side, Heather and friends must resist the glamour of the Fae and battle the Champion.

Can they find the inner strength they'll need to save their home?'
