

# *Sopley Bulletin Board*

If you have any electrical or battery operated appliances at home we would love them in Owls class for their tinkering area! We ask for batteries to be taken out and no items with glass in. We have so far deconstructed a clock, radio, bread machine and some toot toot toddler cars. We would really love some more bits!

# Get Involved in your PTA!

We're looking for more parents to help the Friends of Sopley School!

Want to be involved or know of someone who would be a great asset to the children of Sopley School?

## THE KIDS NEED YOUR HELP!

**Chairperson:** Co-ordinate activities, plan meetings, act as the primary contact between the FSS and school

**Secretary:** Keep records of all meetings, send out action points to committee members

**Treasurer:** Manage funds held by the Friends of Sopley School, pay bills, report on Finances to the committee

**Publicity Officer:** Communicate and promote the work of the FSS through social media, posters, emails etc

**Committee Member:** Attend meetings, help plan and run events, have a say on how money is spent

Being on the committee is a great way to be involved in the school community, make friends with parents from different year groups and encourage your children to feel involved (plus it looks great on your CV if you're taking a career break or thinking of a career change 😊)
