

Dear Parents/Carers

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2 February 2024.**

## Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

## Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

We are having a fun day of maths activities. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event.

## Safe fundraising

Donations should be made via the following link -

<https://www.nspcc.org.uk/support-us/ways-to-give/donate/> and it is suggested that parents make a minimum donation of £2.00.

## It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Sopley Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mr Butcher  
Maths Lead  
The Federation of Burley and Sopley Primary Schools
