

# THE FEDERATION OF BURLEY AND SOPLEY PRIMARY SCHOOLS

Tuesday 31st October 2023

Dear Parents and Carers,

In our computing lessons this term, the children will be learning to create their own animations (short cartoons). To do this, we will be using the website Seesaw (<http://seesaw.me>), a secure online class journal where students can save their work and then develop their animations further in following weeks. Some schools use Seesaw like Reception use Tapestry. However, we are planning on just using it to create their animations.

In order for your child to use Seesaw, the website needs your child's name in order to be able to associate their animation with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to create their animations. **Please sign below and return this permission slip so that your child can use Seesaw.** Without this permission, your child will not be able to create their own animations in computing this term. Our first computing lesson this term is Friday so please return the permission slips before then.

Kind regards,  
Mrs Fricker  
Owls Class Teacher.

---

**Please sign below and return by Friday 3rd November.**

I give consent for my child, listed below, to use Seesaw for class activities.
