*Please can we remind parents again that dogs should be tied up when dropping off or picking up children. Not all children like dogs coming up to them and there have been several near misses with dogs and cars on the lane outside school.*

For those families who joined this academic year, the Burley Primary School Association organises a summer fete every year which is a BIG fundraiser for the school. On the days listed below, we ask that parents bring in a specific donation in return for their child coming in as described below ....
