

	<b>CREATE</b> Art and Computing		<b>DISCOVER</b> History		<b>EXPLORE</b> Geography and DT	
ALL YEAR GROUPS - HORTICULTURE / LONGITUDINAL / BOTANICAL						
Year 1	Seasons and how they change - longitudinal	Describing materials	Describing materials	Plants	Animal Survival including Humans	Animal Habitats
Year 2	Seasons Longitudinal Horticulture (short topic)	Changing Materials (longer topic)	Forces Pushes and Pulls	Making New Plants	Animals life cycles (including humans)	
Year 3 / 4 A	Light	Rocks and Soils	Forces - Magnetism	Plants and their food production Plant reproduction		Animals inc humans Skeletons nutrition
Year 3 / 4 B	Sound	Making Electrical Circuits Work	Solids, liquids and gases	Animals inc humans - food / nutrition / digestion	Living things and their habitats	Working scientifically
Year 5 / 6 A	How Light Behaves	Controlling electrical circuits	Space and Gravity	Fossils, geological time and classification	Evolution and Inheritance	Working Scientifically
Year 5 / 6 B	Forces that oppose motion	Materials - mixtures and separation	Animals inc humans - circulatory system	Living things and their habitats	Working scientifically	Animal inc humans - puberty / old age
