SATs

In May, year 6 will undertake their Key Stage 2 SATs.

We present all the children with SATs style questions throughout the year and talk them through different question types so that when SATs week arrives, it will just seem like an extension of what they already do in class.

Year 6 children will already be familiar with these as they will have seen examples last year; year 5 will be introduced to them through our learning journeys.

SATs

There are 6 different papers:

- Punctuation and grammar
- Spelling
- Reading
- Arithmetic
- 2 x maths reasoning

Writing (other than SPaG) isn't assessed in a SATs paper. It is assessed through the work they produce independently in class and can be moderated by Hampshire County Council.

There will be a meeting for year 6 children and parents later in the year which will provide more information.

Can I ~~use~~ inform using research?

Poseidon

One of the most legendary of the 12 Great Olympians was Poseidon (god of the sea, earthquakes and horses.)

He was extremely well respected, as he was related to Zeus - King of all gods.

Appearance

Poseidon is often pictured with a trident, curly hair and curly beard, a mermaid tail underwater and human legs above water. He would look like a ^{regular} normal civilian ~~as~~ on the ground as he wears a tunic. He is sometimes shown in a chariot pulled by horses with fish tails.

Birth History

Poseidon had a horrible history with his father, Kronos. When he was young, Poseidon's father was ^{notorious} evil and swallowed Poseidon, Hades and their siblings except Zeus.

They escaped because Zeus grew old and forced Kronos to disgorge them. Poseidon had 8 children with ^{several} a wife.

~~of his~~ different women. Interestingly, his children ranged from sea monsters to horses.

Mythology

Since he is extremely well known, Poseidon is in a lot of myth (the most famous being the titans story.) In

Medusa, Poseidon is in a relationship with her ~~before~~ before she turned ^{repulsive} ugly from Athena's ~~curse~~ curse.

He also fell in love with Demeter and created the horse to impress her - this is why he the god of horses.

In another myth, ~~he~~ He also defeated the Polybotes by ~~breaking~~ ^{breaking} ~~breaking~~ ^{hurling} of a part of the island of Kos and ~~throwing~~ it at the Polybotes.

Range of cohesive devices

Ensure your language choices are uplevelled. For example ugly → ^{repulsive} repulsive.

I've circled some examples ✓

Year 6

Scorantula

According to reaserch, Scorantulas are one of the deadliest insects on ~~our~~ ^{Earth} planet. Feared by all, any human wouldn't dare to enter its presence.

Amazing Appearance

Unsurprisingly, the Scorantula lives up to its name - its pinching claws can gauge ~~out~~ ^{through} flesh and inject its deadly venom. Its vibrant shell can mask its neon colors to ~~for~~ camouflage from all predators. This insect's hairy legs ~~can~~ ^{will} leave you with a stinging, ~~allergic~~ ^{allergic} reaction just from one stroke.

Hospitable Habitat

With temperatures reaching 150°C , the desert plains of ~~the~~ Texas are nearly unbearable for anything to survive in. Scorantulas mainly ~~live~~ ^{seek residence} in 5ft deep holes, but are decreasing in population as

Diet

Scorantulas are incredibly dangerous creatures who use their poisonous hairs to infect their prey. Their diet mostly consists of small vertebrates such as: lizards and small snakes. Luckily, ~~for~~ humans are not included in this list, however, if you were to harm one, the Scorantula would not think twice about making you their next victim.

Fun Fact

Impressively, they catch their prey by ~~raising~~ ^{using} their ~~an~~ infra-red heat vision.
