

Robins Autumn term 2025

PE

This term we will be following REAL PE & choreographing a Dance linked to the 'Circle of Life.'

MATHS

We are focusing on place value to 100 using dienes and maths resources to represent numbers in different ways. Then moving on to addition & subtraction.

RE

We have learnt about the religion of Sikhism and will be exploring how Christmas is celebrated around the world!

Retrieval

We will be creating a class History timeline and re-visiting the 7 continents of the world!

COMPUTING

We will be using the programme SCRATCH to create a game & Stop Motion to create an animation.

ART

We have been exploring Andy Goldsworthy & Nature Art. We are going to use different mediums to create a background with inspiration from Henri Rousseau. We will use our clay skills to create an animal. We will be applying the skills of line drawings.

ENGLISH

We are studying the author 'Rob Biddulph' and creating our own hybrid creature to write facts about!

SCIENCE

We are revisiting the seasons and weather- creating our own weather chart. We are investigating Forces and materials.
