

Woodpeckers Spring Term 1 2026

PE

This half term we will be developing our gymnastic skill and learning a new sport- handball!

MATHS

We are deepening our knowledge of multiplication and division, before moving onto fractions.

RE

We are exploring the concept of Peace through Islam.

Retrieval

We will be retrieving our computing, art and geography taught knowledge.

History

We will be discovering what made different Ancient Civilisations complex.

DT

As part of our Ancient Civilisations unit, we will be creating Greek inspired food.

ENGLISH

Using Arthur and the Golden Rope, will be writing narrative focusing on our dialogue, before creating a non-chronological text inspired by Mythologica.

Science

We will be studying animals including humans, focusing on different parts of the digestive and circulatory system.

What makes us complex?
