

Kestrels Yr
4/5
Autumn term
2026

PE

In PE we will be developing our ball skills through striking and fielding games. We will also be developing our one leg balance through our floor work.

MATHS

We will be developing our understanding of number and place value including comparing, ordering and rounding numbers. Before moving onto addition and subtraction.

We will be working through our first Happymind unit 'Meet our brain'.

ART

We will be using art to explore global issues. We will be learning to create an individual response that centres around global warming and ice worlds.

SCIENCE

In Science we will be learning how light travels from a source, reflects off objects into our eyes, and creates shadows when blocked.

ENGLISH

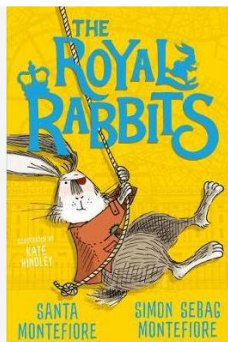

In English we will be writing a persuasive speech using the book 'The Crown' as our text driver before writing our own narratives using the short film 'Soar'.

COMPUTING

We will use simple formulae to solve calculations including =sum. We will also be editing and formatting different cells in a spreadsheet.

RE

In RE we will be considering what good and evil means through the story of **Rama and Sita** and the Hindu festival of **Diwali** and how their choices can make a difference to others.

How can art help us explore big issues — and make our voices heard?
